

Diaper Changing Songs!

Changing Diaper

(To the tune of *Frere Jacques*)

Changing diaper, changing diaper

Lots of fun, lots of fun

You're no longer stinky, you're no longer stinky

Nice clean bum, nice clean bum

The Diaper on the Bottom

(To the tune of *Wheels on the Bus*)

The diaper on the bottom comes off, off, off

Off, off, off

Off, off, off

The diaper on the bottom comes off, off, off

Nice and clean

The fresh new diaper goes on, on, on

On, on, on

On, on, on

The fresh new diaper goes on, on, on

Ready to play

Changing Diaper, 123

(To the tune of *London Bridge is Falling Down*)

Changing diaper, 123

123

123

Changing diaper, 123

My sweet baby
